Liability Release Text:

I understand that the June 2020 & registration fees are non-refundable if I should cancel at any point during the year. The Affinity Staff will calculate my June & reg fee once registered and will email me the amount. The monthly dance fees will be charged from Sept 1 - May 1.

Dancers will not be placed in classes or spots held, until all registration information is received. I must pay any outstanding fees from the current season before my registration will be completed. You will be notified of any fees owing by email. All notifications will include a deadline that the fees must be paid by. Any fees overdue by 1 week will be subject to an additional late charge of 5%. Any fees that are returned will be subject to a \$25 fee. I understand that substitute teachers may be required on occasion (ie. due to competition events, illness, etc). Students are still expected to attend class even if it is not their regular instructor. Classes are subject to change and/or cancellation. I understand that the studio is not required to provide make up classes for any cancellations due to unforeseen causes (ie. snow days, power outages, competition etc.)

If I have chosen to take part in the competitive program, I understand the importance of attending my classes. If I miss 1-3 classes prior to their next competition or performance, I could be withdrawn from dancing that routine on stage (at teacher's discretion).

Students are permitted to miss 3 classes for every ballet class they take. An effort should be made to make up all subsequently missed ballet classes within 2 weeks of the missed class.

Above student releases and discharges affinity dance inc. centers and teachers from any and all actions, causes of action, for damage, or loss of injury, arising that which may be sustained by me/child in consequence of my membership in the school. I also agree that affinity dance inc. centers shall not be held responsible for any loss or thief of the applicant's personal possessions.
